Interested in being a Sponsor?

___ I want more promotion. Please contact me with details about sponsorship.

*****Past experience has shown us that vendors often register but don't show. This really disappoints guests and taints our reputation and that of the vendor, especially after having been promoted, consistently. By submitting this agreement, you are committing your participation at the festival and understand that your participation will be advertised. Failure to attend may prevent future invitations to participate in Vendor Nation LLC events.
